"AKIM's" WIFE'S DESIRE TO GO BACK TO THE SOVIET UNION.

Item 1

From: NEW YORK

To: MOSCOW

No.: 1638

21 November 1944

To SEMEN.

In a chat with our worker AKIM's wife raised the question of the possibility of her departure for the Union[a], giving as her reasons the fact that she had been specially [D% fated][:] a brother had been killed, a second brother had been wounded three times and his whereabouts were unknown. [4% For more than] a year she has been unsuccessfully requesting that her mother [1 group unrecovered] (her mother lives with her brother's widow) [and][b] has been sending her a parcel every month but the mother during all this time has received only one [C% parcel]. The mother is old and unable to work and her only source of livelihood is the money which AKIM remits. Bearing in mind also the state of A.'s[11] health, which is having a very adverse effect on [B% her], I urgently request[c] her mother and the wife in MOSCOW and [D% try] to improve their living conditions. To recall A.'s wife home without [B% him] I consider impermissible for understandable reasons. Please also take steps to see that letters arrive regularly as for a year past only one letter has been received.

No. 917
21st November.
